

Michigan Department of Transportation's
2008 Research Summit

Concluding Remarks

Calvin Roberts

Engineer, Office of Research & Best Practices

October 1, 2008

What happens next?

- MDOT will publish minutes from this meeting by November 15.
- Using today's results, MDOT will issue a call for problem statements to its project managers on December 1.
- For more details, see the "MDOT Biennial Project Development Timeline" on page 9 of the Research & Implementation Manual.

Thank you again for your participation

- Help shape the next Research Summit by completing a feedback survey.
 - Return it today or send it to ORBP at your convenience.
